

Gravitational Self-Force and Scattering Amplitudes Workshop

Tuesday 19 March 2024

Discussion session: Waveforms, spin and amplitudes (Radu Roiban) - 4305 (15:00-16:00)

Wednesday 20 March 2024

Discussion session: What can PM do for GSF? What can GSF do for PM? (Adam Pound) - 4305 (15:00-16:00)

Thursday 21 March 2024

Discussion session: Analytical insights to GSF from particle physics (Riccardo Gonzo, Ofri Telem) - 4305 (15:00-16:00)
