

Session Program

24-27 Feb 2025

First Quantisation for Physics in Strong Fields Discussions

James Clerk Maxwell Building , Higgs Centre Seminar Room (4305)
School of Physics and Astronomy University of Edinburgh James Clerk Maxwell Building Peter Guthrie
Tait Road Edinburgh EH9 3FD

Monday 24 February

15:30

17:00

Discussions

Session |

Location: James Clerk Maxwell Building , Higgs Centre Seminar Room (4305), School of Physics and Astronomy
University of Edinburgh James Clerk Maxwell Building Peter Guthrie Tait Road Edinburgh EH9 3FD

Tuesday 25 February

11:15

Discussions

Session |

Location: James Clerk Maxwell Building , Higgs Centre Seminar Room (4305), School of Physics and Astronomy
University of Edinburgh James Clerk Maxwell Building Peter Guthrie Tait Road Edinburgh EH9 3FD

12:45

15:45

Discussions

Session |

Location: James Clerk Maxwell Building , Higgs Centre Seminar Room (4305), School of Physics and Astronomy
University of Edinburgh James Clerk Maxwell Building Peter Guthrie Tait Road Edinburgh EH9 3FD

17:15

Wednesday 26 February

11:15

12:45

Discussions

Session |

Location: James Clerk Maxwell Building , Higgs Centre Seminar Room (4305), School of Physics and Astronomy
University of Edinburgh James Clerk Maxwell Building Peter Guthrie Tait Road Edinburgh EH9 3FD

15:15

16:45

Discussions

Session |

Location: James Clerk Maxwell Building , Higgs Centre Seminar Room (4305), School of Physics and Astronomy
University of Edinburgh James Clerk Maxwell Building Peter Guthrie Tait Road Edinburgh EH9 3FD

Thursday 27 February

12:00
13:15
15:30
16:15

Discussions
