# Edinburgh PPE Group

### Group overview

- Staff and PhD students
- Recent successes
- Infrastructure
- Support
- New Web Pages

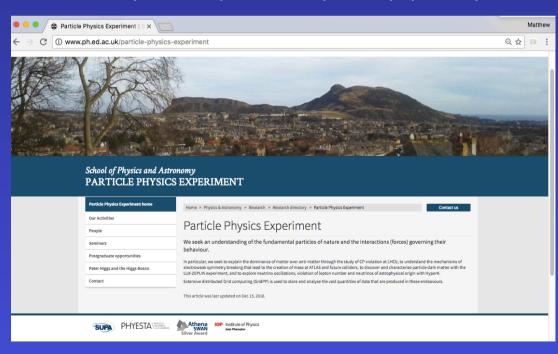

### PPE Activities

- ATLAS
- LHCb
- GridPP
- Neutrinos
- Dark matter
- Detector R&D
- Outreach

### Franz Muheim 15 December 2017 PPE Group meeting

More information available Group web pages

https://www.ph.ed.ac.uk/particle-physics-experiment/

# PPE Group Staff

### Academics

- Phil Clark
- Pete Clarke
- Christos Leonidopoulos
- Victoria Martin
- Franz Muheim
  - Head of Group
- Matt Needham
- Steve Playfer
- Alex Murphy \*\*\*

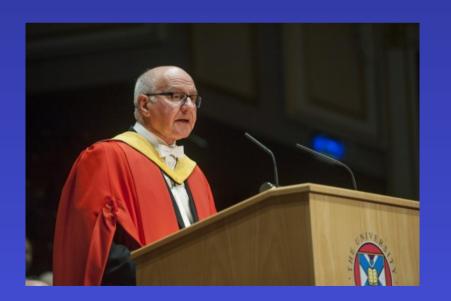

### Advanced Fellows

- Greig Cowan (STFC ERF)

\*\*\* also member of Nuclear Physics group

### Honorary & visiting academics

- Fabiola Gianotti
- Ken Peach
- Alan Walker

# PPE Group Staff & Students

### ~15 (soon 18) Senior Scientists / Post docs / Technical Staff

- Stephan Eisenhardt, Andy Washbrook,
- Jon Webster (technician), Bojan Masic (technician),
- Ben Wynne, Silvia Gambetta,
- Lilia Drakopoulou, Liza Mijovic, Ahmed Hasib, Rob Currie,
- Antonia Struebig, Michele Faucci Gianelli, Jim Stuart (engineer)
- Xin Ran Liu, Teng Li, Marco Pappagallo, \*\*\*
- 1 more RA position soon to be filled (DUNE) \*\*\*

### ~15 PhD Students

- Thomas Davison, Xanthe Hoad, Iwan Smith, Maria Francesca Marzioni
- Konstantin Gizdov, Andres Søgaard and Alan Taylor
- Emmy Gabriel, Matthew Heath, Athoy Nilima, Mahdi Taani, Yixuan Zhang,
  Jennifer Zonneveld
- Elisabeth Leason, Stefano Petrucci, Emily Takeva \*\*\*
- \*\*\* new

# Staff Joining and Leaving

- Joining: Welcome to
  - 3 new RAs since last meeting
  - Teng Li GridPP & LSST
  - Xin Ran Liu Dark matter

- Leaving: Best wishes to
  - Laurence Carson

### Recent Student Successes

- PhD Students submitted, viva-ed, (graduated in 2016)
  - Adam Morris → RA at Edinburgh for 3 months
    - → RA CPPM Marseille

## PhD recruitment

### PhD students 2017 intake

- Three new students started in Sept/Oct 2017
- Elizabeth Leason (Durham) STFC Dark matter
- Emily Takeva (Birmingham) STFC ATLAS

### CDT in Data Intensive Science

- Edinburgh was awarded a CDT in Data Intensive Science
- Stefano Petrucci (La Sapienza Roma) STFC LHCb
- Expect this scheme to be renewed
- Note there may be further STFC funded places to come

### PhD students 2018

- PhD students recruiting for Sept 2018 has started
- Matt Needham is coordinating

# Undergraduate & MSc Teaching

### Undergraduate MPhys and MSc students

- projects available on ATLAS, LHCb, DM and neutrino experiments
  data analysis and detector development
- project available on Hyper-K, dark matter and Linear Collider
- Current MPhys student about to graduate:
  Tran Tu thong Ryan, Neil McBlane
- MSc Students about to start project: ANO
- Re-Visiting project student: Marion Lehuraux (LHCb)
- Make them feel welcome

### Undergraduate Teaching

- Muon lifetime and mass measurements
- Testing new detectors LAPPD
- Analysis and computational projects

# Undergraduate & MSc Teaching

### Summer students

- Opportunies for you
- School offers competition for bursaries
- Group also offers summer studentships
- In total ~10 summer students in June & July
  - Connor Minnis (DUNE)
  - · Philip Aitken (LHCb)
  - Ralph Pompeus (LHCb photodetectors)
  - Craig Robertson (SiPMs)
  - Marina Sanches-Oro (Hyper-K photodetectors)
  - Tran Tu thong Ryan (LHCb)
  - Lorenzo Principe (ANNIE)
  - •
- Some really nice results were achieved,
  e.g. measuring time resolution of SiPMs

### PPE Activities

### ATLAS

- ATLAS Fast Calorimeter Simulation, see talk by Hasib

#### LHCb

- Discovery of excited Omegac\*\* particles, see talk by Marco

### Dark Matter

- Sense and Sensitivity: A Christmas Dark Matter special, see talk by Xin Ran

### Hyper-K

- Obtained new grant for 2017 to 2019

### DUNE

- PPE joined in early 2017, obtained grant for 2017 to 2019
- UK government has pledged £65M for DUNE and Fermilab proton beams and LBNF target

### **PPE** Activities

#### • GridPP

- Data Storage
- Ask Pete, Rob and Andy Washbrook if you are interested

### Detector Development

- ATLAS and LHCb Upgrade, Hyper-K, Dune
- Excellent facilities in Advanced Detector Development Centre (ADDC)
- Have started working with new types of photon detectors LAPPDs
- Ask Stephan et al. if you are interested

### Higgs Centre of Innovation (HCI)

- HCI Building on Blackford Hill will be ready in 2018
- HCI includes CERN Business Incubator → Opportunities for people wishing to start their own company

### **PPE** Activities

### MSc Teaching

- Currently School has MSc in Mathematical and Theoretical Physics
- Works well and brings in money (from overseas students)
- University approved proposal for MSc
  in experimental particle and nuclear physics
- First intake 2018/19 spread the news

### Group web pages

- Migrated to new web pages end of last year
- Need to keep it "alive", any volunteers?

### Outreach

- Peter Higgs web page <a href="http://www.ph.ed.ac.uk/higgs">http://www.ph.ed.ac.uk/higgs</a>
  maintained by Victoria Martin and Alan Walker
- Particle Physics for Scottish Schools (PP4SS)
  please join Alan when he is asking for volunteers, it is fun!

# PPE Group - Infrastructure

### Offices

- 5301, 5302 PhD students
- 54nn corridor, 4311 Academics/Fellows/RAs

### Conference room

- 5202 Audiovisual equipment for Vidyo, Skype
- Book via Google calendar Edinburgh PPE
- Coffee and Tea facility

### Laboratories

- 5201 HPD Photon Detector Test Facility
- 5203, 5203b, 5204 Advanced Detector Development Centre
- 5207 Teaching Laboratory Muon Lifetimes
- 5207 MaPMT Photon Detector Test Facility

# PPE Group - Support

### Admin

- General Gill Maddy, Tracy Brown and team email - admin-general@ph.ed.ac.uk
- PhD students Liz Paterson liz@staffmail.ed.ac.uk

### Computing Support

- Andy Washbrook (group support)
- Sean McGeever and team (School CST)

#### Finance

Joanna Richards and team (Finance)
 email accounts - accounts@ph.ed.ac.uk

### Procurement

ask us if you need something
 Andy Washbrook for computers,
 Jon Webster, Stephan Eisenhardt, FM for kit

### Travel

- Most of us book our own travel, but you can ask General Admin -Tracy Brown, Gill Maddy and team <u>admin-general@ph.ed.ac.uk</u>
- For PhD students, ask Liz Paterson <u>liz@staffmail.ed.ac.uk</u>
- For STFC experiment travel (569RAL), may need to fill in UK PP travel
  notice at <a href="https://pprc.qmul.ac.uk/~lloyd/travel/travel.php?page=login">https://pprc.qmul.ac.uk/~lloyd/travel/travel.php?page=login</a>
- TBD Info on ATLAS and LHCb Wiki will migrate to group Wiki
- eExpenses new system yet again
- Please make sure you use correct cost centre/job code combinations

### Travel insurance

- You need to have travel insurance provided by university, but each trip has to be arranged by sending email to admin team
- If you travel a lot you might consider taking out travel insurance

## Final Comments

### Regular PPE group fixtures

- PPE academics meeting
  - 1st Tuesday each month
- All group PPE meeting twice per year
  - · Next meeting will be in spring
  - Group members are usually going to lunch at 12 noon in School Coffee room 4318
  - Bring you own food or buy it on Campus or Magnet Café
  - Other option Swann building 7<sup>th</sup> floor
  - New lunch options on campus student union has been revamped,
    Café Mary Brück Building

### Group coffee

Every Wed 3pm or after seminar in 5202

# PPE Group - Roles

- Research groups and CERN specifics
  - Registration and renewals via project leader:
    Phil for ATLAS and Franz for LHCb
  - Need Home Institute Declaration forms
  - Pete is GridPP group leader
  - Matt is Hyper-K group leader
  - Alex is LUX/LZ group leader
  - Franz is **DUNE** group leader
- Seminars organiser
  - Greig Cowan
  - please send him names of possible speakers
- PhD recruitment
  - Matt
