

Numerical approaches to holography, quantum gravity and cosmology

Wednesday 23 May 2018

Session 5 (09:30-12:30)

time	[id] title	presenter
09:30	[14] Anomalous dimensions in conformal systems: non-perturbative gradient flow approach	Dr HASENFRATZ, Anna
10:45	Coffee break	
11:15	[10] Hierarchies, dynamical supersymmetry breaking & holographic duality	Dr GIEDT, Joel
