

# Closing Remarks and Next Steps

## Lively Discussions and Much Work to do

- **excitement:** questions to be addressed are hot topics in NA
- **challenges:** find a common language across discipline boundaries

# Shared Repositories (GitHub, ...)

The screenshot shows the GitHub interface for a repository named 'ERC-Experiment' by user 'mla67'. The repository is private and has 6 branches, 0 tags, 3 watchers, 1 fork, and 1 star. The main branch is selected. The file list includes folders for 'analysis', 'data', 'feasibility', and 'src', and files for '.gitattributes', '.gitignore', 'README.md', and 'pyproject.toml'. The right sidebar shows the 'About' section with no description, website, or topics provided, and the 'Releases' section with no releases published.

## Plans for Future Meetings

- Online get together: every 6 months?
- In-person meeting: mid grant (ca. 2 years from now)
- Final in-person meeting: end of grant period (4.5 years from now)

## Administrative Steps

- **contracts** to be formalized with **partner institutions (team members)**  
in due course
- individual institutions responsible for **compliance with grant award**  
(e.g. **time sheets**)
