

Higgs Centre School of Theoretical Physics 2018

Monday 28 May 2018

Effective field theory approach to gravitational dynamics: Rafael Porto - Lecture 1 - Lecture Theatre A (14:00-16:00)

Tuesday 29 May 2018

Effective field theory approach to gravitational dynamics: Rafael Porto - Lecture 2 - Lecture Theatre A (14:00-16:00)

Wednesday 30 May 2018

Effective field theory approach to gravitational dynamics: Rafael Porto - Lecture 3 - Lecture Theatre A (14:00-16:00)

Thursday 31 May 2018

Effective field theory approach to gravitational dynamics: Rafael Porto - Lecture 4 - Lecture Theatre A (14:00-16:00)

Friday 01 June 2018

Effective field theory approach to gravitational dynamics: Rafael Porto - Lecture 5 - Lecture Theatre A (14:00-16:00)
