Event Health and Safety

What to do if there is a fire

The time of the weekly fire alarm test in this building is 8:55am every Wednesday

We are not aware of any scheduled fire drills, please evacuate at the sound of the fire alarm

When you hear the alarm - In Normal Working Hours

Follow the instructions on the blue FIRE ACTION notices posted throughout the building.

Exit the building using the signed FIRE EXIT routes, closing all doors behind you.

Do not use the lifts.

Assemble in the car parks well away from the JCMB main entrance area and access road

Do not re-enter an activated zone, signalled by flashing beacons at the zone boundary

Do not re-enter the building until given all clear by Assembly Point Controller, Fire Brigade Officers or by public address system

Do not use your mobile phone until you have safely evacuated the building.

- Note the fire alarm test on Wednesday morning
- See [indico](#) for full instruction pdf

- We hope you will enjoy the meeting and Edinburgh
- If you have any questions: [Nils](#) or [Max](#)
- Funded by UKLFT & Higgs Centre for Theoretical Physics
- Big thanks to [Thelma Dugmore](#) for organisational help
