

## **Session Program**

**Feb 17 - 18, 2020**

# **Workshop on Efficient Computing for High Energy Physics (ECHEP)**

## **Overview**

Lecture Theatre C  
School of Physics and Astronomy University of Edinburgh James Clerk Maxwell Building Peter Guthrie  
Tait Road Edinburgh EH9 3FD

# Mon, February 17

9:00 AM

## Overview

**Session** |

**Location:** Lecture Theatre C, School of Physics and Astronomy University of Edinburgh James Clerk Maxwell Building  
Peter Guthrie Tait Road Edinburgh EH9 3FD

9:00 - 9:10 AM

### Welcome and Workshop Aims

**Speaker**

Sinead Farrington

9:10 - 9:40 AM

### The High Energy Physics Software Stack

**Speaker**

Katy Ellis

9:40 - 10:10 AM

### International efforts on efficient computing 1

**Speaker**

Graeme A Stewart

10:10 - 10:35 AM

### International efforts on efficient computing 2

**Speaker**

Henry Schreiner

10:35 - 11:00 AM

### Frameworks & I/O

**Speaker**

Adam Barton

11:00 AM
